Assumptions Used in Arriving at Fiscal Estimate <p>The Safety and Buildings Division is responsible for administering and enforcing the manufactured home parks rules. The proposed rules do not contain any changes in the Division's park permit fees charged for administering and enforcing the park program. Also, the proposed rules will not create any additional workload costs. Therefore, the proposed rules will not have any fiscal effect on the Division.</p> <p>The proposed rules will not have a significant fiscal effect on the private sector. The anticipated costs that may be incurred by the private sector are the result of new street width and fire hydrant requirements for new manufactured home parks. These requirements are conditioned upon the availability of off-street parking and adequate water supply.</p>			
Long-Range Fiscal Implications None known.
